for Employers

Communicators &
Marketers JobLine
www.cmjobline.org

Your most effective recruiting tool for reaching qualified candidates!

Since 1980, the Communicators & Marketers JobLine has successfully linked employers and industry professionals in the fields of public relations, communications, marketing, graphic design, and advertising throughout the greater Puget Sound region of Washington.

Put the CMJobLine to Work for Your Company and Discover the Benefits!

» **Take Advantage of a Network of Qualified Candidates**

You'll have easy access to a diverse pool of professionals, including more than 1,500 members of the AMA, AWC, IABC, and PRSA.

» **Simplified Recruiting for full-time, part-time and contract professionals, as well as volunteers and interns.**

Targeted at professionals in the field, the CM JobLine offers access to a ready pool of qualified candidates - cutting the time you'll spend screening unqualified applicants.

» **Cost Effective**

A single employment listing costs \$100 for a four week period. That's a fraction of what it costs to advertise just once in the Sunday newspaper or most online recruiting sites. You can also list non-paid internship positions for a nominal fee.

» **Timely**

When your job is listed, we send an instant e-mail to members and subscribers who have requested our e-mail notification service.

» **Weekly Job Listings**

CMJobLine updates listings every week and your listing can be expedited and posted immediately for an additional fee.

» **Confidentiality**

You have the option of including your company name or simply listing your contact information. It's up to you.

» **Reporting and Tracking**

You can see how many people have viewed your job listing so you can track against other postings.

Placing Your Listing is Easy...

» Just go to www.cmjobline.org.

» Select List Jobs, follow the prompts and have a credit card ready to charge the cost through our secure online payment system.

» And best of all, there's lots of space for a detailed listing. Once you list, you will also have the opportunity to view all the other job listings on the site.

» Questions? Email service@cmjobline.org or call **425-869-2157**.
